*The gentleman we honor today has represented the spirit and ideals of Pottstown High School for almost a quarter of a century. As head basketball coach for 13 years, he coached each game to win, but he also taught each athlete to train his body to obey his mind, to train his emotions to obey his will, to enjoy the beauty of a well played game, to play by the rules, and to respect others as himself. He coached to build clean men. He has run Pottstown High School by these same principles.*

*As an administrator he dispensed advice, supplies, citations, bandaids, whacks, kleenex, sympathy, wit, and wisdom. He conducted evaluations, elections, fire drills, bomb searches, assemblies, frenzy parties, and frenzied class meetings. His door has always been open to students and faculty alike. He has really cared about us, and he has always respected our confidences. If a friend is defined as one who knows our faults but likes us anyway, then he has truly been our friend.*

*His outstanding qualities are two: his sense of total commitment to the students and faculty of Pottstown High and his keen sense of humor which reveals his constant enjoyment of life.*

*An era ends at Pottstown High School ... and a grateful school and community join in saying, "You're a good man, Charlie Brown." It is with the deepest respect, gratitude, and affection that we dedicate the 1976* Troiad *to ...*

*Mr. Charles E. Brown.*

# *The Business Education Program Accounts For Students Of All Types*

*The business department credited active students with skill and knowledge. The most advanced business course was secretarial. These girls developed their skills in typing, shorthand, record keeping, and operating business machines. Three years of accounting were offered to the students majoring in bookkeeping. Students enrolled in the clerical curriculum learned general office skills and procedures. One of the most interesting courses that business offered was data processing. This curriculum was carried out in the Administration Building from 7 a.m. to 10:30. Key punch operation and computer programming were the techniques taught.*

*The business classrooms were replete with enthusiastic students who became proficient in their skills and procedures.*

## *The Student Body Of PHS Completes Its Education With The Academics*

*All students in all courses studied many of the same subjects in order to reach graduation. All students studied some form of English, history, mathematics, and science. The form of the subjects studied depended upon the type of course in which the individual was enrolled. The academic subjects were tailored to meet both the needs of the people and the requirements of their vocational courses. The academic subjects were the basis of a broad, well-rounded education.*

## *All Home Economics Courses Blend The Ingredients For Family Living*

*Family-minded students of P.H.S. had the opportunity to be home economics majors. They studied family living and marriage. They learned the basic and advanced skills of meal planning, meal preparation, and sewing. All students could choose the electives of cooking, clothing, or bachelor living.*

*Bachelor living was very popular with the liberated males. They began a sewing course by making chef's aprons and practicing simple tailoring. They then learned how to cook and to do laundry. They then progressed to consumer economics. They emerged polished bachelors, well able to fend for themselves.*

## *Trade Industrial Students Build Around 12 Experienced Teachers*

*Pottstown High School's vocational department enrolled 696 students, who represented two-thirds of the student body. Three hundred seventy students were in the business education department, which offered clerical practices, bookkeeping, secretarial, and data processing areas. Three hundred twenty-six students were in the trade industrial and home economics departments. Appliance repair, mechanical drafting, wood shop, machine shop, automobile mechanics, electronics, health assistance, and food services were offered in the trade industrial course. Home economics offered homemaking, clothing, and bachelor living, a popular course for boys.*

*A work training program, jointly supervised by teachers and employers, allowed 63 students to learn on the job while continuing their academic courses which led to graduation. Follow-up studies made of alumni found that after graduation a high percentage of vocational students remained in the vocational field for which they were trained in our comprehensive high school.*

# *Mickey Mouse, Fuzzy Bunny, Harvey, And Charlie Brown Graduate With Class Of '76*

*Senior year . . . so many memories . . . we were seniors. We were determined enough to strive for perfection. We dedicated three years to achieve our goal. We can look back on the dances, the hoagie sales, bake sales, candle sales, the donkey basketball game, the volleyball marathon, the car washes — so many things that built a foundation of memories. We can remember the anxiously awaited day we flew to Disney World. We can remember how we realized that our senior year was almost at an end and we looked forward to graduation. It was the leadership of our sponsors, officers, and cabinet that gave us the Spirit of '76. Some of us had fears and regrets; others had ambitions and goals to achieve. There had been pressures and times when we felt like giving up . . . but we didn't.*

# *Fox Leads '77 Class Through Successful Bicentennial Year*

*The Class of '77 began a prosperous year by electing Kim Fox to a second term as president. Among the fund-raising activities were the traditional bake sales, hoagie sales, and a rummage sale. They sponsored a roller skating party at C C Skate Ranch, an ice skating party at the Hill School, and the junior class play. One of the more interesting activities was a donkey basketball game with our juniors opposing the O.J. Roberts' juniors. Pottstown thrashed O.J. 16-12. The highlight of the year was the Junior Prom, "Midnight at the Oasis," held at Gilbertsville Fire Company.*

# *Has Anyone Seen A Class Sponsor?*

WANTED:

*One class sponsor of any size or shape. The only stipulation is that he or she be alive, breathing, and willing to spend time with 337 students. They are a quiet, mature, good-natured, lovable, and obedient group, who are willing to be led by* ANYONE!

# *"To Be Or Not To Be" A Class*

*The Class of '78 accepted the challenge of organization, a challenge made difficult by their lack of a class sponsor. However, by Christmas they had organized a class cabinet and had elected officers. Principal Charles E. Brown advised them and helped them to hold class meetings and to have a successful hoagie sale.*

To Jodi,

To a sweet girl I met during the spring track season. I sure wish you and Bob "Wisk" didn't break up. Stay ~~cool~~ cool and sweet and I think you'll go very far. (Farther than you think) Good luck in the future ~~and~~ and in track.

Love

"Rick"

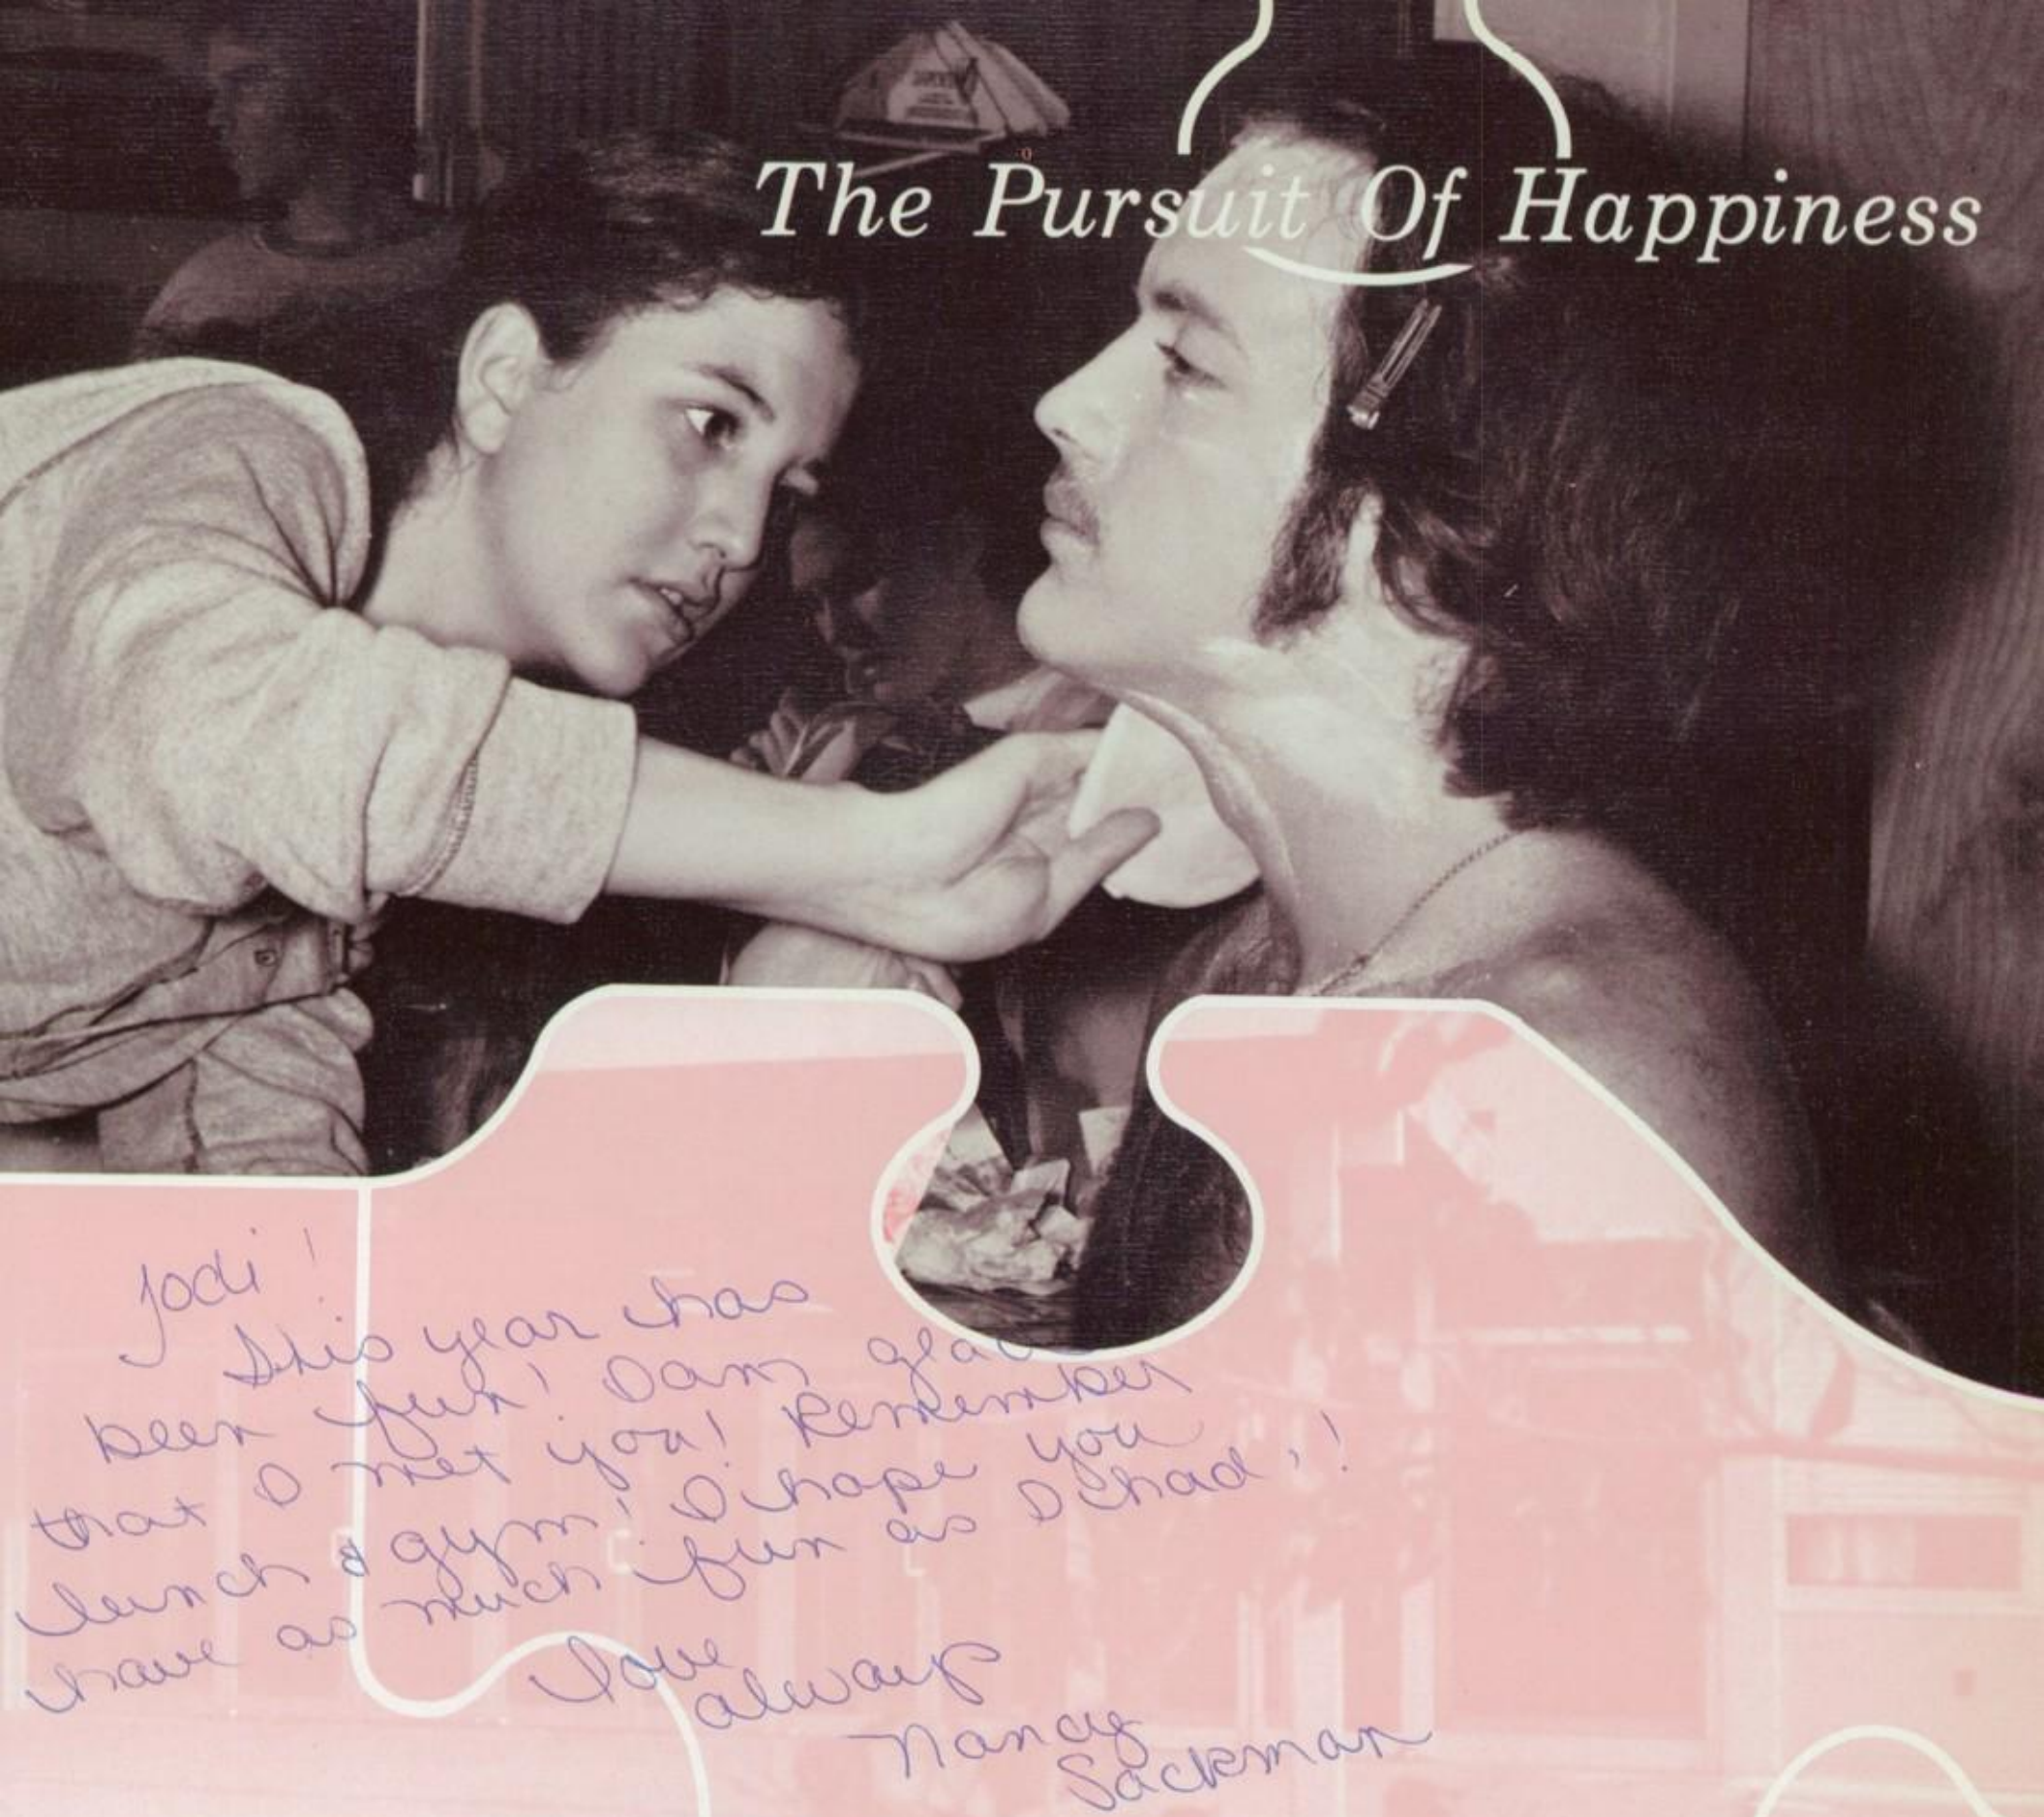
Sorry I'm late
Hope you had a good Thanksgiving



Jodi!
This year has
been fun! Darn glad
that I met you! Remember
lunch & gym! I hope
have as much fun as I had!

Love always

# *Something For Everyone From Sports To Trojan Trivia*

*What happened when you tossed twenty-five unique personalities into a creative melting pot, added the well-seasoned guidance of Mrs. Joanne Swavely, and fired it with enthusiasm? The result was the 1976* P.H.S. News *— a savory concoction of news, opinion, sports, and features — simmered with a wholesome blend of the humorous and the serious.*

*The news page carried full coverage of school activities, as well as interesting introductions of new students and school personnel. An in-depth report of the reorganization of our school, guest editorials, personality stories, and a series of articles about unusual courses made the editorial section appeal to varied tastes.*

*This literary potpourri was spiced by insanity quizzes and "Poor Chuck's Almanac," eagerly devoured regular features. Athletic events were followed closely with the paper turning its attention to different aspects of the sports world, such as hunting. The championship golf squad received its due with an unprecedented three-column team photo.*

*The diverse, fun-loving staff cooked up a live newspaper in the best tradition of high school journalism.*

# *Gorgeous Girls In Glamorous Gowns Inspire The Gridders*

*The alumni of Pottstown High School were given a real treat as the Key Club presented the annual Homecoming. Held October 10, 1975, the half-time festivities highlighted an excellent performance by the Trojan gridders as they defeated Spring-Ford 30-7 on Grigg Memorial Field. Mindy Schultz, escorted by Key Club president Glenn Faust, was crowned Homecoming queen by Kim Koval, last year's queen. The senior members of the court were Dana Haag, escorted by Randy Erb, and Terri Weber, escorted by Todd Fazekas. Junior representatives were Kathi Burton and Gail Hoffert, escorted by Jeff Mast and Jeff Drumheller, respectively. Peggy Smith was the sophomore member, and her escort was Jimmy Martin.*

# *Active Key Clubbers Complete Year With Annual Convention*

*The 1976 Key Club worked to bring a year of service to both the school and the community. Led by faculty advisor Mr. Arthur Green, this international organization of high school boys set out to make plans for a great year. President Glenn Faust guided the 24 members through their various projects. For the school, the Key Club sponsored the 1975 Homecoming, the annual Thanksgiving bonfire, and Movie Night. The club assisted its parent organization, the Kiwanis Club, in Peanut Day, which benefits children's charities. The Christmas fruit cake sale, a candy sale, the annual state convention, along with many other activities, kept the club busy throughout the year. Using the idea of service, Key Club membership helped build the leaders of the future.*

# *Flags And Fire Batons High Light Bicentennial Band Performances*

*In April, 1975, the big blue Trojan marching unit spent seven days in Mexico. With their field show exhibition they won a silver medal in the Aztec Marching Band Pageant and a silver medal in the Oaxtepec Concert Competition. In the fall the bicentennial edition of the marching unit continued their eminent reputation by winning overall ratings of excellent in calvalcades hosted by the Boyertown and Owen J. Roberts Area schools. In keeping with the 1976 bicentennial spirit the band stepped lively to patriotic selections which included* America, Over There, *and* Stars and Stripes Forever. *A forty foot garrison flag, twenty-two flaming batons, and the portrayal of uniformed soldiers from the Revolutionary War, the Civil War, and World Wars I and II were the finale of the scintillating spectacle performed by the band and bandfront. Enthusiastic crowds received the selections of the concert band at the annual Christmas concert and spring concert. The 1975-76 bandsmen and their director Mr. William F. Lamb were proud that the bicentennial year added to their history of distinguished performances.*

# *Energetic Thespian Troupe Makes The Scene In Dramatics*

*Thespian Troupe 2355 was Pottstown High School's chapter of the International Thespian Society. The Thespians were devoted to promoting and advancing all aspects of the theatre arts from dramatics to scenery construction. To become a member of the Troupe, a student needed ten points. The ten points were earned by participation in a play, musical, or other performance. The points were awarded by the coaches according to the work done.*

# *In Their Manor F.H.C. Clubbers Encounter New Nursing Techniques*

*The Future Health Careers Club was an organization available to those girls enrolled in the medical assistants course. Under the sponsorship of Mrs. Marlene Falvey, the F.H.C.C. had a year full of activities. The year was highlighted by an open house in February where family and friends were welcomed to learn what takes place in the field of health services. They toured the dental area and health suite and saw movies and filmstrips featuring the F.H.C.C. members involved in their clinical work. At Christmas the club took presents to the elders at Manatawny Manor and sang carols. Throughout the year they took a variety of field trips to nursing oriented hospitals and colleges including the University of Pennsylvania, Montgomery County Community College, and Thomas Jefferson Hospital.*

# *French And Spanish Organizations Link Together In Cultural Projects*

*The French Club combined efforts with its newly created partner, the Spanish Club, to compile a year of successful projects. In achieving the goals of extending their knowledge of French and Spanish cultures, the clubs presented plays, prepared foreign dishes, and participated in games such as soccer and boules. To encourage interest in the cultural aspects of France, the French Club sponsored a poster contest for their junior high "amis" (friends). The Spanish Club experienced foreign customs with monthly presentations which included a bull fight and meeting a young Mexican gentleman who spoke only in Spanish about life in his country. On February 2 the Club went to see a group of Spanish "Tunas" or strolling troubadours who sang and performed dances. Members of the French Club highlighted the year with a trip to the Rodin Museum in Philadelphia. To conclude the year, the respective clubs visited restaurants where they enjoyed traditional Spanish and French dishes.*

# *GLC Aids Girls' Gym Classes While Chess Club Checkmates*

*The Girls' Leader Corps and Chess Club were clubs that depended on student time and participation. G.L.C. was mainly a service organization, but it served other purposes also. It helped girls develop good sportsmanship and leadership in school and personal life. The club aided in the school gym program, and all its members maintained at least a B average in gym. Chess Club was formed to increase students' knowledge and ability to play chess. The club met twice a week and played tournaments with five other schools.*

# *Ecology Club And Skiing Fanatics Hike And Like "The Great Outdoors"*

*P.H.S. students went skiing, camping, and bike riding and generally had a good time. It happened because of Ski Club and Ecology Club. Meeting after school hours, the two clubs had a common purpose: to provide fun and interesting experiences for students now and skills which they can continue after graduation. From January until the winter ended the Ski Club went to Doe Mountain every weekend. The Ecology Club met throughout the school year. Besides outdoor activities they worked to build a shooting range. Together these two clubs opened many new opportunities for students.*

# *The Attendance Aides Bank On All Students Being In School On Time*

*Under the direction of Mrs. Judith Leveille the attendance office was operated. With the daily help of her diligent aides, each day's attendance and tardy forms for all students were kept. They recorded each student's permanent attendance record and prepared the lists of absences.*

*The bank workers worked independently to maintain the bank accounts of all school organizations. Under the guidance of Mr. Brown, our illustrious principal, Terry Holleran, Ron Minninger, and Bonnie Mignona took care of the monetary affairs. These students wrote checks, counted and deposited money, and made financial transactions.*

*The health aides, under the leadership of Mrs. Grace Steimling, worked largely with the recordkeeping of the health room. They typed and filed the health records for each student which included the results of the vision and hearing tests. Also, the results of each junior's physical examination were recorded by our healthy aides.*

# *Girls Drop Anchor, Raise Flag On Claim To America*

*Amy Spare, the president, called the Anchor Club to order in September, 1975. Secretary Dawn Hauder read the minutes amid some chuckles and a few groans. Vic "Moneybags" Sandoe gave the treasurer's report, noting we could use some money making projects because we could stand making some $! Discussion was held on selling mums for Homecoming and Thanksgiving.*

*Club members agreed to help promote a bicentennial dress-up day on October 9 by giving a prize of $19.76 for one of the best dresser-uppers. We decided to sell cards to make money ... little did we know we'd end up giving refunds because of an order mix-up. Oh, well, it's better to give than to receive anyway, isn't it? Janet Guest and Berny Gramata went to the annual Anchor Club convention at Valley Forge.*

*One of our most noted members, Marita Terefenko, was in Brazil this year, so some of us wrote her monthly letters and Christmas cards. Sue Lasky was placed in charge of a committee who hand-sewed a 13 star flag to hang in front of our school for 1976. Finally in June, Dana Haag made a motion to adjourn the meeting so she could go home and watch her soap opera. The motion was seconded by Barb Big. Everyone ran out the door of 229 just missing the sigh emanating from Mrs. Yekenchik's lips as she shook her head and waved good-bye.*

# *Trojan Girls Let PHS Teams Know "That's The Way — Uh- Huh — We Like It"*

*A new organization emerged in Pottstown High School this year. Under the dedicated supervision of Miss Angela DiPietro, the Trojan Girls raised the spirit of P.H.S. They worked throughout the football season painting posters, decorating the lockers of players, and cheering at frenzy parties. Their support of the cheerleaders and all athletic teams provided some of the most enthusiastic pep rallies ever experienced by P.H.S. students. They continued to promote the athletic program throughout the winter and spring sports seasons.*

# *Talent And Enthusiasm Lead PHS Choir To Success In '75-'76*

*The '75-'76 year was very successful for the P.H.S. cr. and its director, Mr. Edward O'Neill. In additional to the annual Christmas concert on December 21, they performed a Christmas concert at the Elks for the Business and Professional Women's Association. Other activities included a Founders' Day Banquet on February 5, a concert for the MORA Club at the YMCA on February 19, and the annual spring concert in Davenport Auditorium on May 8. The choir was invited to participate in a county sponsored concert in celebration of the bicentennial. The concert was held at Valley Forge and featured the Pottstown Symphony Orchestra.*

*Three choir members — Andy Nodolski, Rycki Harvey, and Nari Ecker — distinguished themselves by gaining recognition in the Southeastern District Chorus, Upper Division. The combined efforts and talent of each individual choir member helped contribute to another successful year for the P.H.S. choir.*

To the Valedictorian of the class of "78"
You've got a great personality, hope you keep
it that way. Good luck in the future with all
your troubles. Hope you get more plates done
next year than you did this year. Maybe
sometime you will be the best draftsmen of
the world, (maybe, just maybe with a lot of luck), besides
being valedictorian.

# *Trojan Linksmen Putt Together Exceptional Undefeated Season*

*Exactly what is a linksman? A man who makes chains? A man who hunts lynx? No, it's a golfer! and Pottstown High had a team that was unreal. They coasted to a Ches-Mont title, paving the way for the remaining sport squads. Under the superb coaching of player-coach Mr. William McCabe, the consistent Trojan team won each match by an average of 42 strokes! That plus the fact that seven different men were low medalist at one time proves the great balance of Mr. McCabe's '75 team.*

*The Trojan seven travelled to a tough Waynesboro Area High School for their opener. Waynesboro was supposedly tops in the state, but the experienced Trojans rose to the occasion and whipped them 401-423 (lower score wins). In another non-league match the linksmen had no problem in beating Cumberland Valley 401-460.*

*Then the seven opened their Ches-Mont season against a tough, veteran Falcon squad from neighboring Pottsgrove. The Trojans chipped and putted their way to a 402-416 victory. That was the first stepping stone toward their goal. Next Boyertown travelled to Brookside (where P.H.S. golfers were almost unbeatable) and lost hands down 411-447. The Patriots of Great Valley were the next victims of McCabe's maulers. Again the Trojans coasted to a 409-445 triumph.*

*In an exhibition nine hole match the P.H.S. drivers tuned up for their next C-M match by tripping the Hill School squad 206-222. Then the Trojans travelled to a tough, sand trap, water filled course at Spring-Ford. They needed buckets and swim suits, but still came out ahead 431-471. They came home again against an unfortunate Henderson team. As in football, the Trojans broke a record while competing against the Warriors. They cracked a course record by pummelling the visitors 392-459.*

*Then came the usually tough Red Raiders from Coatesville. The Trojans drove their way to a 406-444 win. Three straight away matches followed. They beat Owen J. 202-221 in a match shortened by rain. They smoked Phoenixville 408-441. Next they breezed to a 323-370 victory over East in a match called for darkness.*

*In their finale the linksmen arrived at their goal by beating Downingtown 416-478. They ended 13-0 and Ches-Mont champs.*

*Many post-season honors came to them. Five men were named to the All-Ches-Mont first team: seniors Steve Steinmetz with 81.1 average, Jim Kohler with 83.7, Jeff Mast with 83.5, Ken Petro with 84.5, and junior Ted Smith with 80.4 average. Freshman Gregg Schwoyer received honorable mention (84.8 average). Mr. McCabe and his men had a great season!*

# *Hopeful Harriers Hustle Home 8-3*

*The P.H.S. harriers enjoyed another successful season. With the leadership of Carter White and Dave Garner and the depth of the rest of the team — Jack Sassaman, Sam Skean, Mike Heath, Greg Leh, Ed Frazier, and Wayne Deegan — the squad opened with a 25-32 victory over a stubborn Conrad Weiser team. They then knocked off Ches-Mont foes Owen J., Downingtown, and Spring-Ford by impressive scores while running their record to 4-0.*

*Against Henderson, Pottstown, paced by Dave Garner's second place, placed five runners in the top ten, but still lost 21-34. The loss was Pottstown's first defeat in 31 consecutive C-M dual meets, a period covering four years. A stunned Pottstown lost to Great Valley and lost a protested meet to Boyertown.*

*The Trojans refused to fold. They ran to shut-out victories over Pottsgrove and Phoenixville and a 21-34 victory over East. With White's second, Garner's third, and Skean and Leh's tie for fifth, the Trojans logged an upset win over a once-defeated Coatesville.*

*In the C-M championships with less than one mile to go, Dave Garner fell with an Achilles tendon injury. The loss of the number two man weakened the team which finished fifth place in the race, fourth place in the league, and 8-3 overall.*

*Carter White completed an outstanding career by copping a 22nd place in the District One championships. He also made the All-Ches-Mont Cross Country Team for the second year.*

*The JV team, led by Bob Hums and Kim Fox, achieved a 6-2 record, second place in the C-M league.*

*The greatness of a coach is known by his actions and his words. The cross country team knew Coach Harvey's efforts. His words told the rest. "Despite the fact that we were unable to defend our title, the '75 squad was a great team to coach. We finished a very respectable 8-3. The members of this squad were a pleasure to coach, for what we lacked in ability we made up for in desire."*

# *Puzzled Opponents Fall To Pieces Under Pressure*

*In 1975 the Trojanettes, inspired by high scorers Carol Righter and Sue Stetler, drove to an over-all record of 4-6-2. Miss Whistler coached the squad of nine seniors, eight juniors, and three sophomores. The nine graduating members were Rose Buser, Nari Ecker, Sally Galamba, Pat Killian, Carol Righter, Kathy Rupert, Sue Stetler, Cidra Thompson, and Donna Wynings. Team captain Carol Righter was honored for her outstanding efforts by being selected to the All-ChesMont team. The junior varsity team, captained by Lisa Bauer and coached by Miss Detar, compiled a record of 3-8-1.*

# *Exciting Trojan Football Kicks Off '75 Athletics With 8-4 Season*

*After P.H.S. lost 29 seniors through graduation, local fans were leary of the 1975-76 season; but the Trojans emerged as the dark horse of the C-M race. Dream Game II was a game which pitted two teams which were both inexperienced and unsure of themselves. St. Pius X held on to a three point lead. But the surprising Trojans bounced back against a very big Downingtown team. The Trojans edged the Whippets 18-6 on a muggy Saturday afternoon. Then the P-town 11 met Coatesville. This was the first real showing of Howard Jones. He displayed his great running by gaining over 200 yards, while the Trojan defense played like an iron curtain.*

*Next the Trojans met a tough Emmaus squad who were leading their league. The combined running of Jones and the passing of QB Dave Reidenouer to Frankie Clayton and Mark Galamba led the offensive charge. A total defensive effort held Emmaus to under 120 total yards. Pottstown then traveled to Phoenixville, who had been plagued by a teachers' strike. In a tough game the Trojans scrambled to a 14-0 victory. This game was won in the trenches with the unheralded linemen playing a great game.*

*After an unfortunate accident caused the death of David Freed, SpringFord traveled to Grigg Field. "Beep-Beep" Jones' long TD runs hurt the spirited Rams. The defense came up with several big plays headed by George Wise, Todd Detar, and Ron Gumbarge. In the Mud Bowl of 1975 Pottstown traveled to Boyertown. In the monsoon rains the Trojans played a mistake free game. Frank Clayton picked a fumble and ran 99 yards for the first TD. Then the Trojans put their ball control offense in gear, shutting out the Bears 20-0, holding down the highly touted Pete Madeja.*

*Unfortunately the Warriors of Henderson rolled into town. They ran into a team which was steamrolling. The Trojans decimated Henderson 31-0. Detar bulled his way for nearly 100 yards while Jones highstepped his way to a C-M record of 322 yards. Once again the line opened those big holes, giving Reidenouer time to complete his passes.*

*Next the sky-high Falcons came to town looking for an upset, but the Trojans squeezed out a 13-6 victory. Mark Galamba's big interception and run for a TD iced the cake for the Trojans.*

*Then all the problems started for the league leading Trojans. The Patriots of Great Valley held the Trojan offense to zero points and held on to a field goal for a 3-0 loss. Mistakes and penalties hurt the squad against a fired up East team. After Mark Galamba ran back the opening kickoff for a TD, things went down hill. A blocked punt and a fumbled punt, plus some disputed calls, led to the*

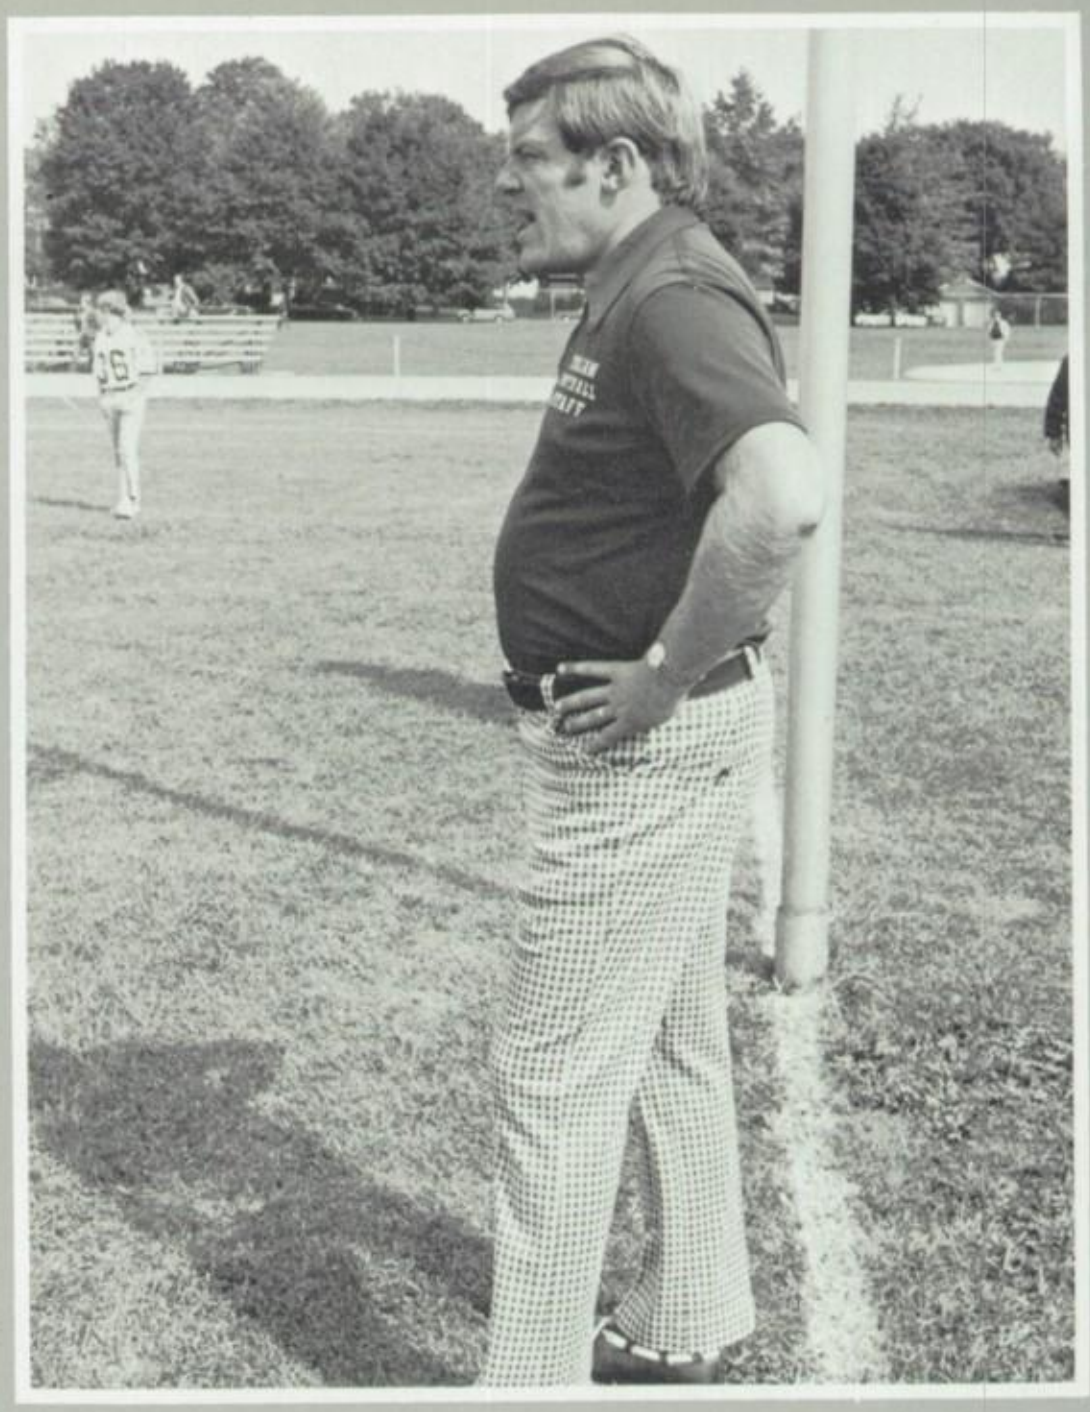
*Trojans' second straight loss.*

*This set up "the game" with Owen J. Pottstown dominated the first half, keeping the ball for the entire first quarter. Jones ran for two first half TDs, but mistakes had the game knotted at the half 14-14. Penalties and missed assignments led to Roberts' last score which proved to be enough. Pottstown didn't give up, but a last minute drive was stopped after a Wildcat linebacker tackled Reidenouer short of the first down marker on fourth and two. Thus the season ended on a disappointing note, leaving them 7-3 C-M, 8-4 overall.*

*There were stellar performances by the whole Pottstown line, secondary, and linebackers. All C-M first team picks were RB Howard Jones, who won the area schoolboy scoring derby with 124 points and who also broke the C-M rushing record with 322 yards; guard Francis Clayton, who opened many holes for the backs; defensive back Dave Reidenouer, who led the Trojans with five interceptions; defensive lineman George "All Heart" Wise, who anchored the defense with hard tackling; linebacker Todd Detar, who led the Trojans in tackles and came up with the big plays. Second team picks were fancy Frankie Clayton, who was hard to tackle in the open field, and Dave Reidenouer, punter. Ron Gumbarge received honorable mention as a defensive lineman. Coach Rogers, his staff, and the 1975 team extended special thanks to the Trojan Girls for their hard work and spirit.*

*Howard Jones earned the distinguished honor of being named Most Valuable Player in Montgomery County. He was presented a trophy at the half-time of the Philadelphia Eagles game December 7, 1975.*



*Coach William Rogers' 1975 Trojan team had four members honored on the All-State Team. Dave Reidenouer was named to the second team as a defensive back. Todd Detar, Frankie Clayton, and Howard Jones received honorable mention.*

# *Edwards Spurs His Spunky Wrestlers To Winning Year*

*The Pottstown wrestling machine not only started ou under the direction of a new coach, but they also started the year with a big win over Harriton, 37-21. This was a preview of the rest of the season.*

*Jim Edwards advanced from the junior high to take over the position of head coach of the high school, expecting to find a young, inexperienced squad. What he found instead was a group of young men with hustle, endurance, and drive. He led them, with the expert assistance of John Armato and Jim Tsakonas, to an 8-6 season. The JV's ended with a 9-4-1 record.*

*After the victory over Harriton, the Trojans came away disappointed from the next three matches — Wilson, Spring-Ford, and Downingtown. However, the team found champions in sophomore Tracy Queen and veteran Jace Ingham, as they were champions at 98 and 119 in the Norristown Tournament. Dave Garner took first place at 98 in the JV tourney.*

*Then the thriller of the year came — a 25-24 win over Pottsgrove. The next five of seven matches came up with victories for Pottstown until the disappointing loss to Owen J., 31-20. The year ended with a victory over Reading, which seemed to symbolize the success of the year as a whole.*

*In the Sectionals the Pottstown wrestling squad placed fourth in the overall team standings behind fine performances of Kim Fox, who wrestled to a third place; Tracy Queen and Ron Gumbarge, who lost only to the champions; and Jace Ingham and Glenn Faust who were the champions. Only four Trojans emerged from the Districts victorious — Jace, Glenn, and Ron copped seconds and Tracy notched a third place. These competitors travelled to the Regionals. Ingham was the sole Trojan to place and travel to the States for the second consecutive year.*

*Congratulations to the Trojans and coaches for an exciting season.*

# *Trojan Cagers Fast-Break Opponents; Bounce Into Play-Offs 18-4*

*Without any big 6'8" horses to go inside, Coach Jan Fritz switched to a run and gun offense. Fast break teams to death! That's exactly what happened.*

*The Trojans opened the season with two non-league games with St. Pius and Governor Mifflin. As evidence of early season play, the cagers came up with two sloppily played victories.*

*Next the Trojan five opened the Ches-Mont season with a victory over O.J. Roberts 54-47. Then a very stubborn Pottsgrove team travelled to our home court. The Falcons came up on the short end 57-45. The Trojan bouncers travelled to nearby Boyertown for a very big game. The Bears held on for a one point victory 44-43. Pottstown got back on the right foot with a very well played victory over Great Valley 76-45. The huge Red Raiders came to town for the annual showdown of the C-M league. The game was everything that everyone expected and a little more. Coatesville squeaked out a 74-71 heartbreaker.*

*The Trojans travelled to Henderson for a very exciting game. The cagers hooped a 77-68 victory. The Trojan five reeled off four straight victories over East, Dowingtown, Spring-Ford, and Phoenixville to close the first half 8-2.*

*After a week off, the Trojans came back with a victory over the Wildcats 57-48. Another tough game with Pottsgrove came unexpectedly, but they overcame the Falcons 65-62. The big game with the first half champs, Boyertown, saw the Trojans destroy the Bears 47-33. Two straight upset losses knocked the Trojans out of contention for the second half. The Warriors from Henderson leaped into our gym for a tough game. The big five won 52-44. The Trojans closed out the season with four straight wins, assuring them of a play-off berth.*

*The surprising run and gun Trojans were very satisfied with their season. Barry Robinson, transfer Reggie Oliver, and Bryan Lacey provided good outside shooting. Robert Harris, James Jackson, and Dave Reidenouer provided inside scoring, tough defense, and rebounding. Coaches Fritz, Hallman, and Yersak were congratulated for a job well done.*

# *Girls Basketball Runs And Guns Way Through Great Season*

*The girls' basketball team began their exciting season with a game at Perkiomen Valley, coming away with a loss. Following that they played St. Pius at home. The game was very rough and very physical. Sue Bennett scored 10 points with Rose Buser adding 10 rebounds. The final outcome was 47-21 in favor of the Lionettes. Unabashed by these two losses, the Trojanettes streaked to the top of the league, winning six consecutive games against Spring-Ford, Henderson, Phoenixville, Coatesville, Great Valley, and East.*

*The most exciting of this series was the game with Great Valley. It was neck-and-neck until Pottstown won by one point, beating Valley for the first time in ten years. The team was excellent, playing the best basketball of the past ten years. The girls were exceptionally spirited, ending the season with a league record of 7-3. The high scorers were Sue Bennett with a shooting record of 121 and Rose Buser with a record of 112. The high rebounders were Rose Buser with 104 and Cathy Zawaski with a record of 68. The JV team did well also. Their league record was 6-4, again the best in ten years. The high scorers on the JV team were Wanda King with 114 and Jennifer Jones with 82. The team finished this outstanding season third in the league.*

## *Team Gets Track-tion To Vault Over Hurdles Of C-M League*

*Coach Lawrence Harvey, assisted by Mr. Daniel Weller, whipped a relatively small track squad into shape for seven Ches-Mont dual meets. The team was well balanced between seniors and underclassmen. The field events were particularly strong and were well supported by the distance runners. Seniors who excelled in their events were Carter White, Mike Heath, David Garner, and Jack Sassman, distance runners; Ed Frazier and Randy Erb, pole vaulters; Robin Rhoads and Lloyd Jones, jumpers; Steve Schirk and Joe Pihanich, discus; Bob Weber, sprinter. Junior Ron Gumbarge showed great promise in shotput and sophomore Wayne Deegan in distance running.*

# *Trojans And Kerr Hit It Off Steal Successful Rookie Season*

*Newly appointed head coach Kerr knew he had his work cut out for him after the disappointing '75 season, but he had no idea his team would be building snowmen and throwing snowballs instead of batting and fielding in spring training this year. But the Trojan nine weathered the storm and won many games in '76. Returning two year letterman Dave Reidenouer plus lettermen Kevin Strange, Steve Steinmetz, Dave Via, Todd Hetrick, and Mark Galamba headed the field of starters and leaders. Promising J.V.'s rounded out the squad. Coaches Kerr and Saylor had very successful rookie seasons.*

# *We Smack It With Our Racket Over The Net To Win The Set*

*As the tennis season of 1976 began, both coaches, Miss Gene Whistler and Mr. Keith Grant, agreed that Phoenixville would be a tough match. Pottsgrove's and Boyertown's girls were challenging as usual, and Spring-Ford's boys were extremely strong.*

*The strength of the girls' team lay in their ten seniors. The boys' team, on the other hand, included only one senior and depended heavily on their juniors.*

TENNIS. *CLOCKWISE: Coach G. Whistler, S. Walter, W. Whitman, T. Wagner, C. Felton, K. Donald, C. Bailey, D. Bodolus, R. Wedde, K. Jones, D. Hauder, V. Sandoe, A. Spare, F. Brutto, K. Conklin, M. # *While Trojans Check Opponents They Cradle Winning Spirit*

*The 1976 Trojanette lacrosse team worked toward a winning season in spite of the strong competition in the Chesmont league. The varsity team, led by a number of experienced seniors and juniors, was guided by Ms. Jenis Pennypacker. Behind Mrs. Margaret Munz the junior varsity, showing great promise, consisted largely of enthusiastic sophomores. Both coaches were pleasantly surprised at the large turnout of "stickhandlers." The girls' winning attitude, competitive spirit, and hours of hard practice led them to a successful season.*

# *A.A. Association Proves That They Are Good Trojan Sports*

*The Athletic Association of Pottstown High was composed of representatives of each class who participated in at least one sport or cheerleading. The Association supported the entire athletic program and operated the student store daily before and after school. Candy, school supplies, and clothing were all big sellers. Advisor Mr. William McCabe could be found there every day at 2:30 dispensing Kit Kats and Cheese Snaks. The store's profits bought trophies and awards for outstanding Trojan athletes.*

*For more than 200 years America has been building its history . . . men, events, laws, wars . . . star-spangled, heart-throbbing successes and hang-dog, ignominious failures. Day by day men lived and worked, and from their lives history emerged. Those individual men probably could see only their own roles. Could they know the proud sum of their efforts? Did they know they were building a free society of free men?*

*What special significance does the bicentennial hold for the Class of '76? What does the bicentennial mean?*

*It means that I am proud to be an American. I am proud to salute my flag. In a voice that is loud and firm and sure, I am proud to pledge allegiance to my country. It is not perfect, but it is a country strong enough to tolerate dissent . . . honest enough to examine its faults in public . . . confident enough to live with an uncensored press. I have more freedom than any other man on the face of the earth. I am proud to be an American . . . without any qualifying adjectives.*

*America is not anything if it consists of* each *of us. It is something only if it consists of* all *of us . . . banded together in a common enterprise. With the blessing of God, that common enterprise is to build a country of wisdom, of peace, of liberty, and of union.*

*The bicentennial is a rebirth of Union.*

*From many, one.*
*E pluribus unum.*

To Jodi
Best of Luck
Remember when
you get married
and live in a hut,
send me a picture of
your first little nut.

## *Looking Back*

*There is no single day*

*or time*

*within the life I've so far lived*

*that I'd have changed*

*or altered.*

*Possibly there are some days*

*I could have missed*

*and never missed,*

*but I suspect that I could not*

*have come down to this place*

*a different way.*

*As I suspect that being here*

*I don't as yet know where I am.*

Jodi, To one of
my very best friends
who is a real cute nut.
It seems like, I've known
you for a lifetime. You were
always there we already
about Bobo, something else. Never
forget the times we went out to lunch
and never got caught. I wish you all
the luck in the world in what you do.
I hope you find the right guy soon cuz you
deserve him!

Love ya,
Jou

Bob

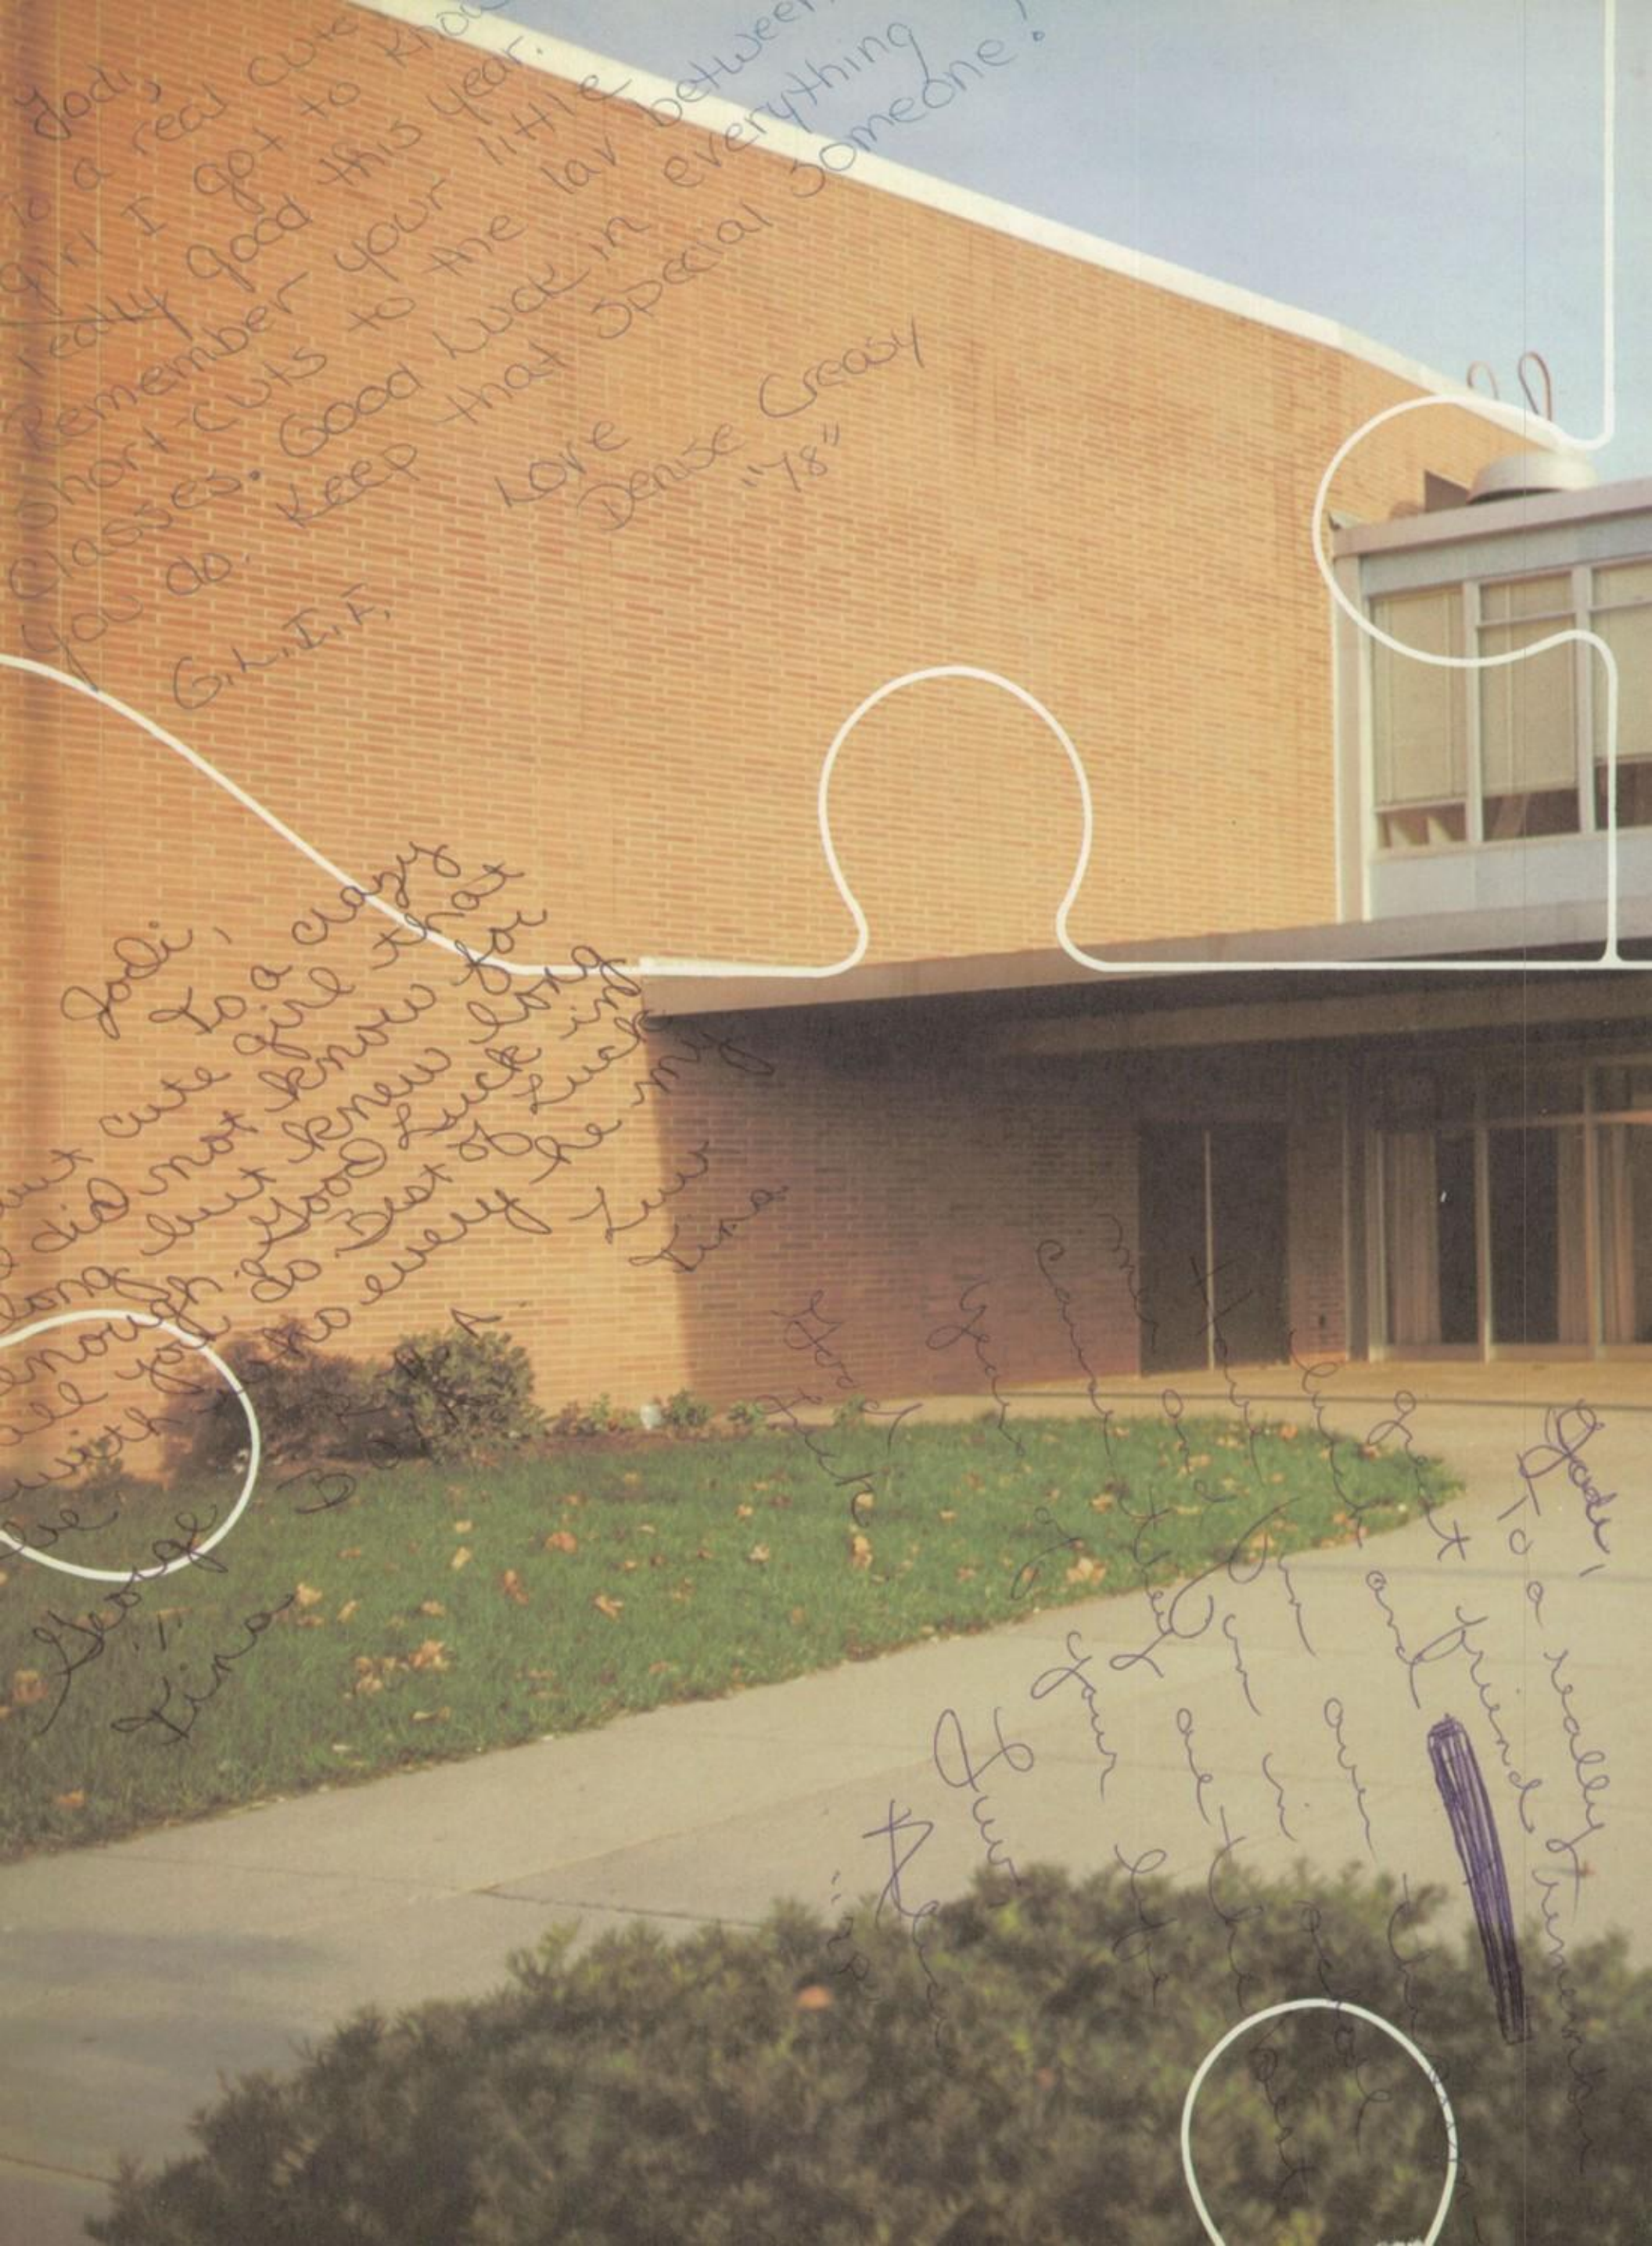
P.S. Couldn't let you
forget about Harry's
fingers.

Jodi,
To a great girl I
met in grade school.
Remember the fun in 9th grade.
Stay sweet, keep cool. Bob.
Hope you go back with Bob.

Barry Myers
"78"

Jodi,
To a girl who I met
just this year and really
did not get a chance to know
I will always remember you.

Love
Jodi
Lill



Jodi,
To a really
crazy and kool
chick. Remember
stop and Keep partying
I hope I get to Knoll soon
Better soon. Best of luck
in all you do. I hope you
achieve all your goals.
Bye.
